

# Supporting Major Infrastructure Projects

A lot of people are talking about how Inala is quickly becoming one of the best suburbs to live in Brisbane.

**I strongly agree!** We have two major multi-purpose precincts being built in Inala that will boost the local economy. These precincts are an example of good and much welcomed development in our area!

They will bring great opportunity for people to get fit, eat well, be social and help the local economy with new jobs. We also have a new Vietnamese Catholic Community Centre being built which will cater for hundreds of locals.

# Advocating for Change, Petitioning Council

I am proud to have worked alongside Hundreds of Forest Lake Ward residents who have been making their voices heard this year by petitioning council for necessary change in the Forest Lake Ward

## 3 major petitions have been run by locals:

- 1 Objection against the proposed 8 storey development at 5 The Esplanade, Forest Lake.
- 2 Requesting council review the Forest Lake Neighbourhood Plan for Jetty Walk Residents
- 3 Requesting for installation of intersection lights for Wallaroo Road

# Priority Projects Identified for the Forest Lake Ward

Residents have been telling us what they want to see around the ward. These are some of the projects that I will continue to advocate for in council for future funding within the Forest Lake Ward

- **Intersection Lights** for Archerfield and Pine Road, Richlands
- **Intersection Lights** for Wallaroo Way and Blunder Road, Doolandella
- **New Sporting fields** at Waterford Road, Ellengrove and Pine Road, Richlands
- **New District Park** at Progress Road and Orchard Road, Richlands
- **New Parkland and Playground** for Peacock Street, Doolandella
- **Water playground** for the Forest Lake Ward
- **More security lighting** for our local parks and dog off leash areas
- **New Neighbourhood plans** for Doolandella and Ellen Grove

**Charles Strunk**  
COUNCILLOR FOR FOREST LAKE WARD

**FOREST LAKE NEWS JULY 2019**

**\$6.5 Million for the Forest Lake Ward - Budget 2019/20**

# Secured Projects for the Year Ahead

- **New Playgrounds and Park Facilities** across the ward
- **Continuing the Master Plan of Upgrades and maintenance of the Lake Parklands**
- **Resurfacing of 15 roads** across the ward
- **Investing in the ongoing Litter Prevention Initiative** with our local community volunteers

**Funding the Forest Lake Ward Office Social and Inclusion Programs for the year ahead**

# A Message from Charles

**The Brisbane City Council 2019/20 budget has been handed down and falls short on previous budgets for the Forest Lake Ward.**

The budget has not delivered on key projects that the residents have been calling for over many years including traffic intersections upgrades and development of new sporting fields.

If not for the commitment of volunteers who contribute their time to our clubs and community groups, we would miss out on services that enrich our lives as local residents.

**That's why I am incredibly proud to see our community go from strength to strength.**

I take great pride in delivering community-focussed projects that are the result of hosting a multitude of consultations with local groups and the wonderful feedback from residents.

I will continue to advocate for my vision of the future of Forest Lake Ward and represent the community to the best of my abilities to ensure that we continue to see the benefits of this strong safe community that we can all enjoy.

Regards

*Charles Strunk*
